

## **Homework Questions for 20. May, 2008**

(to be turned in; please type your answers and include the questions)

- 1) How would you describe your “worldview” - your philosophy of life and reason for living?
- 2) Do you think every person on earth has a worldview? Explain your answer.
- 3) How has your background (family, culture, education, life events) influenced your worldview?
- 4) How much has reason (as opposed to family and feelings) played a role in the formation of your worldview?
- 5) In this class we will be discussing two diametrically opposed worldviews.

What are your initial impressions of:

- a) “Naturalism”, i.e. the secular, or “scientific”, worldview?
- b) The “spiritual” worldview?
